The primary source of funding for this project will be provided through the Federal Emergency Management Agency (FEMA) Port Security Grant Program.

2. SCOPE OF WORK

The Scope of Work will include the removal of existing engines from both vessels, the installation of three (3) new 300 HP Yamaha Gasoline Outboard Engines, rams with hoses, tie rods, and engine wire flex conduit on the Intrepid, and the installation of one (1) new 300 HP Yamaha Gasoline Outboard Engine, rams with hoses, engine wire flex conduit, and a new helm on the Zodiac. Following the completion of this Work, a sea trial will be held with both Vendor and HCSO personnel aboard to ensure proper working condition of all equipment. The HCSO will transport the vessels to and from the awarded Proposer's location.

Parts shall be original OEM parts unless approved by the HCSO. The awarded Proposer shall furnish all necessary labor, materials, tools, equipment, supervision, and incidentals necessary to perform all Work as described herein and/or included in future amendments or addendums.

Any reference to the "Work" throughout this RFP is defined to be inclusive of the Scope of Work and any related performance detailed herein. For further details, refer to Technical Specifications (Part C).

3. GRANT FUNDING

As mentioned above, the primary source of funding for this project will be provided by a Federal Grant. To recognize and comply with the additional special provisions required by the Federal Government, Appendix I will be incorporated as part of this RFP and ensuing contract and will be separately acknowledged and accepted by the Proposer's signature. Several grant compliance clauses pertain to construction contracts only. Equipment installation is **not** considered construction. All other clauses not specific to construction, such as the method of procurement and access to documentation, will apply to all Scopes of Work.

4. PRE-PROPOSAL INSPECTION OF EQUIPMENT

Existing engine make, model, and serial numbers of the Intrepid and Zodiac vessels are included in Technical Specifications (Part C). Any Proposer wishing to visually inspect the existing engines prior to submitting a proposal may contact Purchasing@hcsotampa.us or the Buyer, Colleen Hensley, 813-247-8068.

The equipment inspection meeting will be held at the HCSO Marine Unit located at 1555 Lehman Street, Tampa, Florida 33605 on Port Tampa Bay property. Access to Port Tampa Bay is controlled. Only representatives listed on the completed Letter of Intent may attend. Attendees are instructed to wait in their vehicle outside the drive through gates to the right. Any necessary changes in the Scope of Work and Technical Specifications (Part C) will be adjusted by an amendment to the RFP. The cost of any Work or related remedy performed by the Proposer that it knew, or should have known, was in violation of any laws, ordinances, rules, codes, or regulations without proper notice to the HCSO will be born solely by the Proposer.

5. LETTER OF INTENT

Interested Proposers should notify the Buyer by use of the Letter of Intent form included herein. The person(s) indicated on the Letter of Intent will be notified of all addenda, amendments, and Q & A.

6. COMMUNICATION BETWEEN PARTIES

All questions in regard to this RFP are to be directed, in writing, to the Buyer: Colleen Hensley, at Purchasing@hcsotampa.fl.us, or by fax at 813-242-1826. No communication is allowed, either directly or indirectly, with any other HCSO employee in regard to this RFP prior to the notice of award.

In the interest of public access, all documents relating to this RFP will be posted to the HCSO website at <http://www.hcsotampa.fl.us>. This will include Q & A responses, amendments, addenda, etc. Posting documents to the HCSO website is considered the official method of notification regardless of other notification methods the Buyer utilizes for convenience of the parties involved.

7. SUBSTITUTION

The Proposer shall not substitute items for like items except in the case of an unforeseen event in shipping or manufacturing causing a shortage of said items. Such measures may only be enacted after verifying that it will be allowed by the HCSO. Any violation of such procedure will be considered cause for cancellation.

8. PROPOSER QUALIFICATIONS

Proposals shall be considered only from those companies or individuals who can clearly demonstrate to the HCSO a professional ability to perform the type of Work specified within the RFP. Proposers must be able to demonstrate adequate organizational, financial, equipment, and personnel resources to ensure timely and satisfactory completion of the project. In the determination of the evidence of responsibility and ability to perform the Work, the HCSO reserves the right to investigate the financial condition, experience record, personnel, equipment, facilities, and organization of the Proposer. The HCSO shall determine whether the evidence of responsibility and ability to perform is satisfactory, and will make awards only when such evidence is deemed satisfactory. The HCSO reserves the right to reject a Proposal when evidence indicates the inability to perform the Work specified within the RFP.

The HCSO may require background checks of awarded Proposer employees or subcontractors who will be working on HCSO property.

The Vendor Packet attached as Appendix II must be returned with your Proposal Response along with copies of Hillsborough County Business Tax Receipt or other local government business license. Current Certificates of Insurance for Liability and Workers Compensation must also be included.

9. BRAND NAMES

10. PREPARATION AND SUBMITTAL OF PROPOSALS

All Proposals shall be signed in ink by an authorized principal of the company. A signature of acknowledgement to the General Terms and Conditions (Part A) is required on page nine (9), a signature of affirmation is required on page 28, and a signature of acceptance of the Grant Compliance Appendix I is required. All attachments to the RFP requiring signature acknowledgement (e.g. amendments) are to be returned with the Proposal Package.

Proposal Responses are to be submitted in a sealed package. The face of the package shall indicate the RFP name, number, and time and date of the public opening. (A label is provided within this document for either use or example).

Proposals must be received by the HCSO Purchasing Section no later than the time and date shown on page five (5). Proposers mailing their Proposal Packages should allow for normal mail time to ensure receipt by HCSO prior to the time and date fixed for the acceptance of the Proposals. Proposals, or unsolicited amendments to Proposals, received by the HCSO after the acceptance date will not be considered and will be returned unopened marked "Received after the deadline for opening of Proposals".

Proposers shall submit the required Proposal Package and any additional literature in quadruplicate - one (1) original and three (3) copies, each marked appropriately, and one (1) electronic copy in Microsoft Windows ® compatible format such as .pdf, saved on a USB flash drive or CD. Any proprietary information should be marked as such on the original and copies and should be saved to a folder separate from the rest of the Proposal in the electronic copy.

The HCSO reserves the right to postpone the date for receipt and opening of Proposals or other deadlines and will make a reasonable effort to give at least five (5) calendar days' notice of any such postponement to each prospective Proposer.

11. CONFLICT OF INTEREST

The Proposer agrees to disclose any organizational conflict of interest, perceived or real, for evaluation of HCSO's compliance with §112.313, Fla. Stat. regarding Standards of conduct for public officers, employees of agencies, and local government attorneys.

No HCSO employee acting in an official capacity, as a purchasing agent, or public officer, shall either directly or indirectly purchase, rent, or lease any realty, goods, or services for HCSO from any business entity of which the officer, partner, director, or proprietor, or in which such officer or employee or the officer's or employee's spouse or child, or any combination of them, has a material (>5%) interest. An officer or employee is also prohibited from having an employment or contractual relationship that creates a continuing or recurring conflict between their private interest and the performance of their HCSO public duties.

12. EVALUATION OF PROPOSALS

Initially, all Proposals submitted will be reviewed to determine if the Proposer is both responsive in terms of the completeness of the Proposal Package, and responsible in that proof of a legal, legitimate business enterprise has been provided along with any other qualifications stipulated. Proposals determined to be deficient in either responsiveness or responsibility may be rejected without further evaluation.

Proposals determined to have met the minimum requirements will then be evaluated based on the following criteria. Proposals will be ranked by each evaluator from high to low. Rankings must be substantiated by supportive comments. After comparison of rankings and group discussion a final recommendation will be made.

- a. Cost of Goods and Services
- b. References
- c. Company Overview, Personnel

An evaluation committee will consist of a minimum of three (3) persons, including the Project Manager.

Each committee member will independently read and rank all eligible proposals. Any clarifications requested by a committee member will be presented to the Proposer through the Buyer. When all evaluations are complete, the Buyer will tabulate the results providing an initial ranking matrix indicating the group's collective ranking of each Proposer. The Buyer will present the composite evaluation results to the committee members, who may then submit their recommendation in accordance with the results of the scoring, or if deemed in the best interest of the HCSO, request a Best and Final Offer from the top ranked firms.

13. BEST AND FINAL OFFER

The HCSO reserves the right to request a Best and Final Offer (BAFO) from any or all Proposers. A BAFO may be requested as an optional step in the selection process. Useful situations include, but are not limited to, the following: no single response addresses all the specifications; the cost submitted by all Proposers is too high; the scores of two or more Proposers are very close after the evaluation process; all Proposers submitted responses that are unclear or deficient in one or more areas.

The evaluation committee determines if the BAFO process will be conducted and who will receive the solicitation. All or any number of Proposers may be solicited, but only those Proposer(s) most likely to be awarded a contract are to be included. The evaluation committee will develop the aspects of the Proposal to be addressed in the BAFO. They may ask for enhancements of core components of the RFP but will maintain the integrity of the original Scope of Work.

BAFO solicitations will be made in writing. Proposers may be asked to provide additional clarification to specific sections of their response, or to rework their Proposal content or pricing. Information will be given as to how the BAFO will be evaluated. The HCSO will not identify either the current rank of any Proposer(s) or the lowest costs proposed until after the evaluation of each BAFO submitted. If a Proposer does not wish to submit a BAFO offer, they may submit a written response stating their response remains as originally submitted.

The Buyer will be responsible for all communication to and from Proposers regarding the BAFO solicitation. All responses must be returned to the Buyer. Proposers may also be requested to make an oral

presentation to the evaluation committee. The written BAFO solicitation will include submission requirements and a deadline date and time by which the BAFO must be returned to the Buyer.

At the option of the HCSO, this negotiation process with the highest ranked Proposers may continue until a satisfactory contract is successfully negotiated.

14. AWARD

Award shall be made to the most responsible and responsive Proposer meeting specifications, price, and other factors considered.

Award or No Award notifications will be sent to all Proposers. Proposal results will be available on the HCSO website <http://www.hcso.tampa.fl.us>, on the Purchasing Page. If you do not have internet access, and would like a copy of the Proposal results, contact the Purchasing Office at (813) 247-8034.

15. PROPOSAL OPENING

Proposers are welcome to attend the Proposal opening where Proposals will be read aloud. Award, however, will be dependent upon the determination that Proposers are both responsive and responsible, and any other evaluation criteria stated in the Proposal document. Tabulation of the Proposal prices and Proposer rankings, if applicable, will be published at the time of Award. All Proposers responding with a Proposal will receive a copy of the Proposal tabulation.

16. ADDITION/DELETION

The HCSO reserves the right to add or delete any items from this Proposal or resulting contract(s) when deemed to be in the best interest of the HCSO. All such additions, deletions, or any change to the Scope of Work shall be addressed as either an amendment to the Proposal or a Change Order to the Contract requiring written notification and acknowledgement (refer to Processing Change Orders, Part B, Paragraph 24).

17. CANCELATION

When deemed to be in the best interest of the HCSO, any contract(s) resulting from this RFP may be canceled by the following means:

- a. 10 calendar days written notice with cause, or;
- b. 30 calendar days written notice without cause.

If it becomes necessary to terminate the Contract without cause, all items and/or materials provided through the date of receipt of written notice of cancelation may be invoiced to the HCSO, and will be considered for payment providing documentation of said expenses are forwarded with the request for payment.

18. DEFAULT

The Contract may be canceled or annulled by the HCSO Chief Financial Officer (CFO) in whole, or in part, by written notice of default to the awarded Proposer upon non-performance or violation of Contract terms. An award may be made to the next best responsive and responsible Proposer based on evaluation, or articles specified may be purchased on the open market similar to those so terminated. Failure of the awarded Proposer to deliver materials or items within the time stipulated in this Proposal, unless extended

in writing by the Financial Services Division, shall constitute Contract default. Awarded Proposers who default on contracts may be removed from the HCSO Vendor List and determined ineligible for future contracts at the discretion of the CFO.

19. NEXT BEST PROPOSER

In the event of a default by the awarded Proposer, the HCSO reserves the right to utilize the next best Proposer. In the event of this occurrence, the new awarded Proposer shall be required to provide the Proposal items at the prices as contained in their Proposal, for the remainder of the award period.

20. PERFORMANCE AND PAYMENT BONDS

- a. Bond Requirement: The HCSO shall, prior to the execution of the Contract, require the awarded Proposer to furnish bonds covering the faithful performance of the Contract and the payment of all obligations arising thereunder in such form and amount as listed hereunder. - b. Time of Delivery and Form of Bonds: The awarded Proposer shall deliver the required bonds to the HCSO within 10 calendar days from the Notice of Award. A Notice to Proceed and Purchase Order will be issued upon receipt of the Performance Bond.

"Performance and Payment Bonds" shall be for 100% of the Contract sum on behalf of the HCSO. The bonds shall be written on the Surety Company's standard form. The awarded Proposer shall require the Attorney-In-Fact who executes the required bonds on behalf of the Surety Company to affix to the bond a certified and current copy of their Power of Attorney, indicating monetary limit of such power.

- c. Alternative Forms of Security: In lieu of the bond required by this section, the awarded Proposer may file with the HCSO, an alternative form of security, which shall be in the form of cash, money order, certified check, cashier's check, or irrevocable letter of credit. Such alternative forms of security shall be for the same purpose and shall be subject to the same conditions as those applicable to the bond required by this section. The determination of the value of such alternative forms of security shall be made by the HCSO.
- d. Release of Bonds: Bonds will be released after all conditions of the Contract have been met, final acceptance has been given, all inspections have been satisfied, and a statement of warranty and release of lien has been issued.

21. EMERGENCY

If and when an emergency requirement should occur, the HCSO reserves the right to deviate from this Contract and procure the item(s) from the most available source.

22. CERTIFICATES OF INSURANCE

The awarded Proposer shall not commence any Work in connection with this Contract until all the following types of insurance have been obtained and such insurance has been approved by the HCSO, nor shall the awarded Proposer allow any subcontractor to commence Work on their subcontract until all similar insurance required of the subcontractor has been so obtained and approved.

24. PROCESSING CHANGE ORDERS

Any changes which result in an increase or decrease in the Contract amount must be processed as a Change Order to the Contract. This will include, but not be limited to, changes in the design requested by the HCSO, or any additions or deletions caused by unforeseen circumstances or requirements by government agencies. Any such changes will not invalidate this Contract. The time for project completion and/or the project cost will be adjusted accordingly. Change Orders will be numbered in sequence and dated.

Change Order requests will be submitted in writing, and shall include the HCSO, or the awarded Proposer's detail of the design changes or circumstances surrounding the request, and the awarded Proposer's written quote representing an increase, decrease, or no change to the Contract Sum. The resulting Change Order request will be submitted by the awarded Proposer to the Project Manager for approval by the CFO.

Any changes in the Contract Sum will be reflected on an amended Purchase Order as approved by the CFO in response to the appropriate requisition approved by the Division Commander. A copy of the amended Purchase Order will be provided to the awarded Proposer.

Failure to follow Change Order instructions will result in the HCSO refusal to pay a change to the Contract Sum.

Requests for estimates for possible changes are not to be considered Change Orders or authorization to proceed with the proposed changes. Requests from the HCSO for quotes regarding new Work not included in the original scope will not constitute a Change Order to this Contract.

25. WARRANTIES

- a. The awarded Proposer will warrant all workmanship and materials for a period of no less than one (1) year from date of acceptance.
- b. The awarded Proposer warrants and guarantees that all materials and equipment will be new, unless otherwise specified, and that all Work will be of first quality, performed in a workmanlike manner, free from faults or defects. Work shall be considered defective if: it is unsatisfactory, faulty, or does not conform to the Contract Documents; fails any inspections, tests, or approvals; and does not meet all applicable construction, manufacturing and safety requirements. Notice of all defects shall be given to the awarded Proposer by the Project Manager. All defective Work, whether or not in place, may be rejected, corrected, or accepted as provided in Paragraphs g, h and i below.
- c. If the Contract Documents, laws, ordinances, rules, regulations, or order of any federal, state, local, or public authority having jurisdiction require any Work to specifically be inspected, tested, or approved by someone other than the awarded Proposer, the awarded Proposer will give the Project Manager timely notice of readiness. The testing company(s), if assigned by the HCSO to this project, and all such inspections, tests, or approvals provided for by the HCSO shall be identified in writing by the Project Manager to the awarded Proposer. All other inspections, tests, or approvals shall be at the awarded Proposer's expense, including additional expenses for inspection and tests required as a result of delays by the awarded Proposer, or hours worked beyond 40 hours in a work week. For all required inspections, tests, and approvals on any Work prepared, performed, or assembled away from the site, the awarded Proposer will furnish the Project Manager with the required Certificates of Inspection, testing, or approval. All such tests will be in accordance with the methods prescribed by the American Society for Testing and Materials, or such other applicable organizations as may be required by law or the Contract Documents. Materials or Work in place that fail to pass acceptability tests shall be retested at the direction of the Project Manager and at the awarded Proposer's expense. If any such Work required to be inspected, tested, or approved is covered without written approval of the Project Manager, it shall be, if requested by the Project Manager, uncovered for observation in accordance with Paragraphs e and f below. The rates charged the awarded Proposer pursuant to this paragraph shall be agreed upon in writing prior to testing.
- d. Neither observations by the Project Manager or inspections, tests, or approvals by persons other than the awarded Proposer shall relieve the awarded Proposer of their obligations to perform the Work in accordance with the requirements of the Contract Document.
- e. If any Work is covered contrary to the request of the Project Manager, the Work shall, if requested by the Project Manager, be uncovered for observation and replaced at the awarded Proposer's expense.
- f. If any Work has been covered which the Project Manager has not specifically requested to observe, or if the Project Manager considers it necessary or advisable that covered Work be inspected or tested by other parties, the awarded Proposer, by written request, will uncover, expose, or otherwise make available for observation inspection, or testing that portion of the Work in question, furnishing all necessary labor, material, and equipment. If it is found that such Work is defective, the awarded Proposer will bear the expense of such uncovering, exposure, observation, inspection, testing, and satisfactory reconstruction. If, however, such Work is not found to be defective, the awarded Proposer will be allowed an increase in the Contract price or an extension of the Contract Time, or both, directly

attributable to such uncovering, exposure, inspection, testing, and reconstruction, if they make a claim and request a Change Order (refer to Processing Change Orders, Part B, Paragraph 24).

- g. When directed by the Project Manager, the awarded Proposer will promptly, without cost to the HCSO and as specified by the Project Manager, either correct the defective Work whether fabricated, installed, or completed, or remove it from the site and replace it with non-defective Work. If the awarded Proposer does not correct such defective Work, or remove and replace such defective Work within a reasonable time, all as specified in a written notice for the Project Manager, the HCSO, after seven (7) days, may have the deficiency corrected. All direct and indirect costs of such correction shall be paid by the awarded Proposer or deducted from payment to the awarded Proposer. The awarded Proposer will also bear the expense of making good all Work of others destroyed or damaged by correction, removal, or replacement of this defective Work.
- h. During the warranted period, the awarded Proposer will restore, or remove and replace, warranted Work to its original specified condition in the event of failure. They will restore, or remove and replace, other Work which has been damaged by failure of warranted Work, or which must be removed and replaced to gain access to warranted Work. Cost of restoration, or removal and replacement, is the obligation of the awarded Proposer. Upon restoration, or removal and replacement, of the warranted Work which has failed, the awarded Proposer will reinstate the warranty by issuing an addendum to the original warranty for at least the remaining warranted period, but for no less than half of the original warranted period.
- i. If, instead of requiring correction or removal and replacement of defective Work, the HCSO prefers to accept it, the HCSO may do so. In such case, if acceptance occurs prior to approval of final payment, a Change Order shall be executed by incorporating the necessary revisions in the Contract Documents, including an appropriate reduction in the Contract Sum. If the acceptance occurs after approval, the awarded Proposer shall pay an appropriate sum to compensate for the defect in the Work to the HCSO.

26. INDEMNIFICATION

The awarded Proposer will indemnify and hold harmless the HCSO, and its employees and agents, from and against all liabilities, claims, damages, losses, and expenses including attorneys' fees arising out of, or resulting from, the performance of its Work, provided that any such liability, claim, damage, loss, or expense (a) is attributable to bodily injury, sickness, disease or death, or injury to, or destruction of, tangible property (other than the Work itself), including the loss of use resulting therefrom and (b) is cause in whole, or in part, by an act or omission of the awarded Proposer, any subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, whether or not it is caused in whole, or in part, by a party indemnified hereunder.

In any and all claims against the HCSO, or any of its agents or employees, by any employee of the awarded Proposer, any subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation under the previous paragraph shall not be limited in any way as to the amount or type of damages, compensation or benefits payable by or for the awarded Proposer, or any subcontractor under workmen's compensation acts, disability benefit acts, or other employee benefit acts.

The awarded Proposer will indemnify and hold harmless the HCSO, and anyone directly or indirectly employed by it, from and against all claims, damages, losses, and expenses (including attorney's fees) arising out of any infringement of patent rights of copyrights held by others, and shall defend all such claims in connection with any alleged infringement of such rights.

27. INVOICING AND PAYMENTS

The awarded Proposer may invoice the HCSO upon completed Work and sea trial. All invoices must have a unique invoice number and show: date, shipping location, description and quantity of items and services, make, model, serial number, and unit price. Include the HCSO purchase order number on invoices unless payment is made by HCSO purchasing card where the invoice should include the RFP#.

Invoices shall be addressed to: Hillsborough County Sheriff's Office
 Attention: Accounts Payable
 P.O. Box 3371
 Tampa, FL 33601

Or emailed to: accountspayable@hcsotampa.fl.us

Payment shall be made in accordance with §215.422, Fla. Stat. which states the awarded Proposer's rights and the HCSO's responsibilities concerning interest penalties and time limits for payment of invoices. Timely payment of invoices is incumbent upon the HCSO and in no case shall payment exceed 45 calendar days from date of receipt of a properly approved application/invoice.

ACH and HCSO Purchasing Card are preferred methods of payment, and available upon request and authorization. Please inquire at accountspayable@hcsotampa.fl.us or at 813-247-8276.

Payments may be withheld because of any of the following conditions:

- a. Defective Work not corrected.
- b. Failure of the awarded Proposer to make payments for materials, labor, equipment, or services.
- c. Continued failure to perform the Work in accordance with the terms and conditions set forth in this Agreement.
- d. Legal or other claims by third parties relating to the Work performed under the Contract Documents.
