Pre-Bid Clarifications

The scope of New Equipment required will be defined by the occupied pods and associated inmate communication needs at the time a new contract/agreement is executed. ORJ Housing Unit #5* shall also be included as its use is anticipated prior to the end of the year.

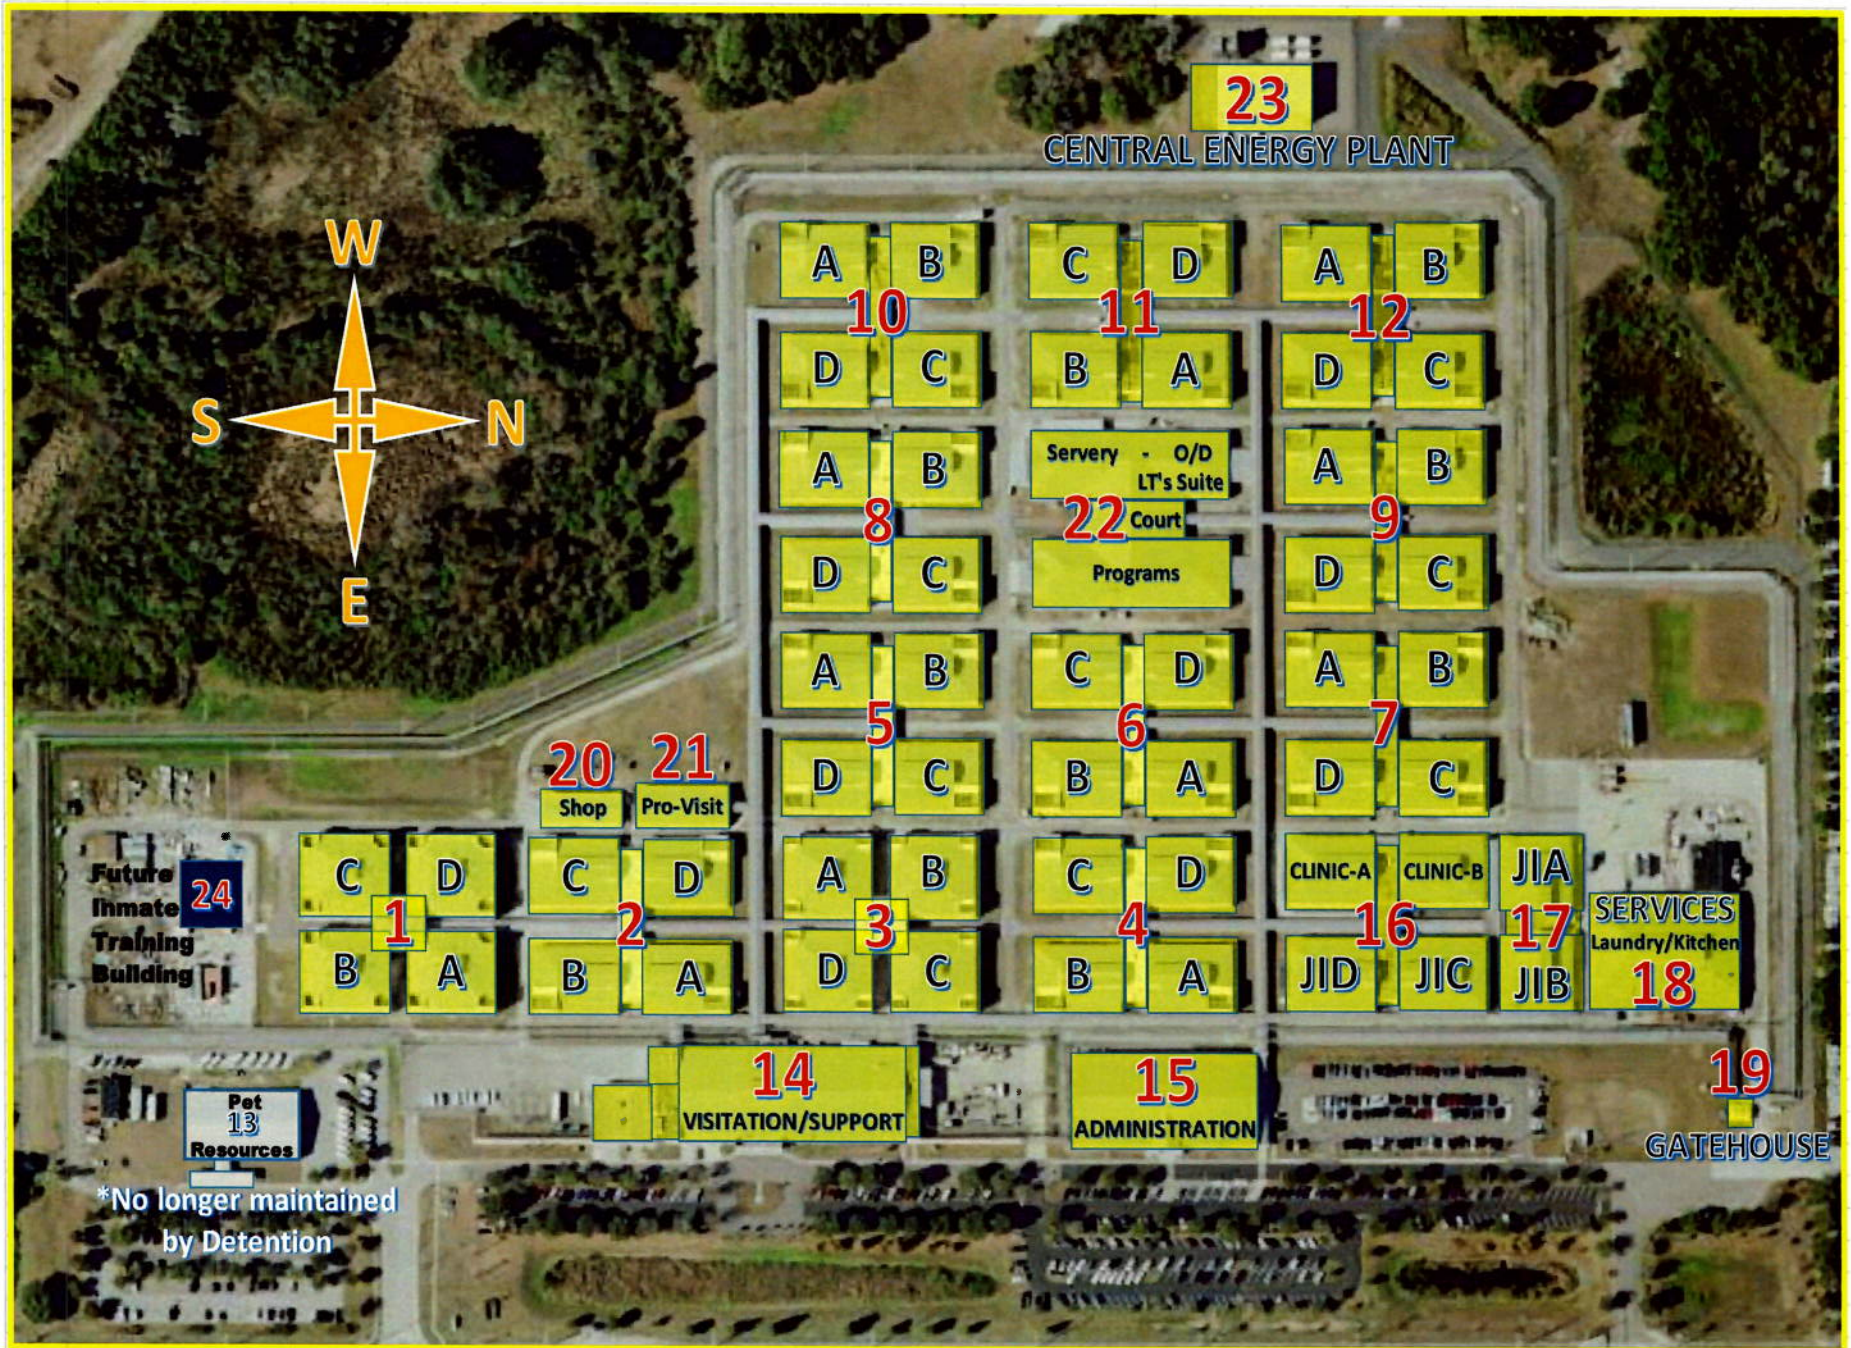

Although the number of inmates booked exceeded 43,000, HCSO requested approximately 11,500 no-cost earbuds during calendar year 2024. Earbuds are issued after inmates make it through the booking and intake housing assignment processes; inmates leaving before these processes are not issued earbuds. During 2024, earbud orders were placed on average every 2 months; quantities ranging anywhere from 2000 to 4000 per order.

A listing of currently occupied FRJ confinement units is included below and shows the number of mod pods at each for reference.
