Warranty	1 Year	1 Year	1 Year but offered pricing for up to 5 years	1 Year but offered pricing for up to 5 years	
Exceptions	Avalex AVM4128QN provides 850 NITS Brightness. See compliance matrix for additional information.	The D12-7444 display's LCD module is rated at 1500 NIT. After the effects of the coatings for NVG capability and covering with an anti reflective window the LCD backlight brightness is reduced to approximately 1000 NIT.	None	None
