TAT	Z./.1	Table of Requirements.	
LN 14	ITEM 11	The Supplier shall collect and guarantee payments when an item has been auctioned.	
15	12	The Supplier shall be licensed to perform public auctions in the State of Florida and be capable of submitting proof of such license.	
16	13	The Supplier shall be responsible for obtaining any permits required to conduct auctions in the State of Florida, if applicable.	
17	14	Items to be auctioned shall be sold in their entirety, "as is" "where is" and no warranties expressed or implied, with removal being the responsibility of the bidder.	
18	15	The Supplier shall collect all sales tax and make restitution to the State in accordance with all requirements.	
19	16	The Supplier shall have a system in placed to vet qualified bidders, verify their information, and identify and remove bidders that fail to complete a transaction or demonstrate false bidding practices.	
В	17	The HCSO reserves the right, at its sole discretion and when deemed in the best interest of the HCSO to dispose of surplus property by means other than awarded Supplier.	
21	•	Marketing and Advertising	Acceptance INITIAL HERE
22	18	Unless otherwise requested or approved by the HCSO, the Supplier shall advertise the HCSO's auctions, Pursuant to Florida Statute 274.06 Tangible Personal Property Owned by Local Governments, an advertisement shall be published not less than one (1) week no more than two (2) weeks prior to the sale in a newspaper having a general circulation in Hillsborough County.	
23	19	The Supplier shall provide the HCSO a copy of the affidavit of the published advertisement.	
24	20	The Supplier shall market the HCSO auctions on its websites, any partnering online auction sites and partnering websites. The Supplier, as applicable, shall market/advertise nationally. The Supplier shall provide additional specialized marketing services for unusual, specialty, or items that are generally difficult to sell.	
25	•	Online Auction Responsibilities	Acceptance INITIAL HERE
26	21	The Supplier shall provide a comprehensive web-based auction system that is capable of conducting online auctions 24 hours a day, seven (7) days a week.	
27	22	The dates and times of the auctions shall be approved the HCSO.	
28	23	The system shall allow the HCSO to conduct auctions as often as the HCSO requires. The Supplier shall have processing centers in place to handle the HCSO's auctions.	
29	24	Bids shall be accepted and received online for the entire timeframe from the posting date until closing.	
30	25	Bidder inquiries and responses shall be managed entirely by the auction company and made accessible online for public viewing. The HCSO shall not engage directly with bidders or buyers regarding inquiries or responses.	
31	26	Auction site must allow for pictures, videos, documents or other media to be attached to the items auction page. The number or type of media shall not be restricted without prior approval from the HCSO.	
32	27	The HCSO auction items submitted for auction shall be ready to upload to the Supplier's site immediately unless approval of additional time is granted by the HCSO due to special circumstances.	

LN	ITEM	Table of Requirements.	
LIV		Auction shall include an "on hold" status for items to allow auction items to be	
33	28		
		prepositioned for an upcoming auction and be easily moved to the "at auction" status.	
		The system shall be capable of including the HCSO defined disclaimers related to the	
34	29	sale, collection, viewing, and condition of all items, e.g., item description, AS IS	
		WHERE IS, payment terms, etc.	
		The system must allow for templates to be created related to core auction information	
	•	or disclaimers that are likely to be included in all or most auctions, e.g., County	
35	30	information, terms for payment, pick-up instructions, etc. These templates should be	
		easily populated into each auction, as needed.	
		The system shall have the ability, if chosen by the HCSO, to auto extend an auction if	
26	2.1	·	
36	31	bids are made within the final three (3) minutes of the auction and continue until no	
		bids are received within three (3) minutes of the auction.	
		Auction bid histories and the number of viewers that have visited the item's page shall	
37	32	be provided in real-time for each auction and be included as fields in the reporting	
		feature.	
• •	22	The total current bid price, including any bidder fees or any other applicable fees shall	
38	33	be listed on the auction item page and be clearly defined.

Exhibit B

TAI		Table of Requirements.	
LN	ITEM		
52	42	The Supplier shall be responsible for coordination of all auction activities with the HCSO. The primary HCSO contact shall be with the HCSO's Project Manager pertaining to the Department supplying the surplus auction items.	
53	43	The Supplier shall offer suggestions, on a timely basis, for maximizing sale value of items.	
54	44	The HCSO reserves the right to add/delete items from the list.	
55	45	The Supplier shall handle any disputes that arise during the auction and shall ask for the assistance of the HCSO's Project Manager for the requesting Department, if required for resolution.	
56	46	The HCSO may provide an inventory of items to be auctioned with basic (make, model, year, serial number, condition of item) information.	
57	47	The HCSO may provide a site coordinator for each pickup site and for the transportation of the vehicles with the Supplier.	
58	48	The HCSO will provide the Certificate of Ownership and all other documents necessary to transfer the title for motor vehicles, trailers and equipment.	
59	49	Upon mutual agreement between the HCSO and the Supplier vehicles may not be offered at auction unless the Certificate of Ownership or the Florida Division of Motor Vehicles document requirements and all other documents necessary to facilitate a transfer of title for motor vehicles, trailers and equipment are submitted prior to sale.	
60	 	Disposal After Sale	Acceptance INITIAL HERE
61	50	Unless otherwise directed by the HCSO, vehicles that have been sold by the Supplier and unclaimed by buyers shall be scheduled to be sold at the next available auction, at no additional cost to the HCSO. Disposal of all other items that do not sell the Supplier shall coordinate with the HCSO for pickup of such items.	
62	51	For any unsold item, the Supplier may be given the opportunity to re-auction the item at a later time, if mutually agreed upon between the HCSO and the Supplier.	
63	•	Payment	Acceptance initial here
64	52	The HCSO payment must be received by HCSO in the month in which the auction was held.	
	53	The Auction Report of all auctioned products must match the total sum of the payment provided and must be received by HCSO at assets@hcso.tampa.fl.us no later than the date of payment within the same month as the auction was held. Sample Reports: • (see item 8 Auction Reports)
