### #3

(Deadline for Questions 10/14/2025 @ 3:00pm EST)

- 5. Why is the estimated annual usage listed as “0” for multiple line items on the Appendix II Pricing Matrix document? And does the estimated usage include usage of items that will be part of the kits or is that counted separately?**

**Answer:** The Hillsborough County Sheriff’s Office (HCSO) included the estimated annual usage for reference purposes only, and it may not accurately represent future order quantities. Items marked as “0” may have been provided as part of a kit and therefore were not ordered separately.

- 6. I am in question about this one as a "Set aside" for WBE, SBE business , am I understanding this is Set aside ?**

**Answer:** The Hillsborough County Sheriff’s Office (HCSO) did not “Set aside” this term contract. HCSO sends notice of all solicitations to the Florida Department of Management Services of Supplier Diversity as stated in section 3.1 Supplier Diversity of the solicitation. When the "Set aside" option is utilized, it will be specified on the overview page in the solicitation.
