Command Security Corporation

Questions Submitted June 30, 2015

1. What is the current BILL RATE for the following positions:

Armed Supervisor: \$20.83 per hour
Armed Officer: \$19.33 per hour
Unarmed Officer: \$16.23 per hour
Contract Manager: \$20.83 per hour

2. What is the current PAY RATE for said positions?

The rates paid by the current provider to their employees were not negotiated or divulged as part of the existing contract. The company's pay rates are considered proprietary. The pay rate information (minimum hourly wages paid to employees by position) is a criterion for Request for Proposal 15-15.

3. At the bid opening set for July 10 at 3:00pm, will the bid prices be read out loud?

Proposers are welcome to attend the bid opening where Proposers' names will be read and unit prices read *if requested*. Award, however, will be dependent upon the determination that Proposers are both Responsive and Responsible and other evaluation criteria as stated in the proposal document. Award will not be determined on price structure alone. Tabulation of the bid prices and Proposer rankings, if applicable, will be published at the time of Award. All Proposers responding with a proposal will receive a copy of the bid tabulation once it is finalized.
