

BID 15-10 AUTOMOTIVE OIL AND TRANSMISSION FLUID

This BID was originally solicited on March 9, 2015 as BID 5-15, and opened on March 23, 2015. At that time, there was only one response to the BID. Due to the lack of responses, BID 5-15 has been canceled and is being re-solicited under BID 10-15. No changes to the BID were made. The original Memo to Bid and the Bid Cover form for BID 5-15 are being utilized for BID 10-15 based on the fact that no changes to original BID package were made and it was approved for solicitation.
