QUESTIONS AND ANSWERS FOR
BID NO. 3-19 Intrepid and Zodiac Gasoline Outboard Engine Upgrade
As of January 24, 2019 3:00 PM**

Question#1: *I am a current Vendor, do I still need to submit a completed Vendor Application with my response?*

Answer #1: Yes. The Vendor Application is a required element of the Bid documents and will assure that all of our information is current.

Question #2: *Could someone give me truthful running state of all engines and pictures of the outsides so I can get accurate trade value?*

Answer #2: Per Part B, paragraph 4 Pre-Proposal Inspection of Equipment: Any Proposer wishing to visually inspect the existing engines prior to submitting a proposal may contact Purchasing@hcsso.tampa.us or the Senior Procurement Analyst, Dave Janney, 813-247-8053.

There are no known issues with any of the engines at this time. The Intrepid was last serviced 6/2018, and the Zodiac was last serviced 1/2019. Please see pictures attached.
