Disposable Nitrile Gloves

OPENING DATE/TIME:

June 18, 2024

**Questions & Answers
#1**

1. When you place your order, for each order you place, how many cases are you ordering at a time?

Answer: The Hillsborough County Sheriff's Office (HCSO) places all order as needed. We've placed orders for quantities of 1000 boxes at one time on multiple sizes on previous orders.

2. While searching through your archives for the previous bid for Nitrile Gloves, I found them listed under bid #2022-015 Janitorial Supplies. They were awarded to "Clean Space Project" at 39.99 per case. (3.99 per box). Other vendors (including ourselves) came in with lower bids but were not awarded. Can you please give the reason behind your choice?

Answer: The Hillsborough County Sheriff's Office (HCSO) believes in being fair to all bidders. The previous awarded vendor was selected based on a quality assessment that tested the gloves' previously against sharp objects. The results showed that Clean Space Project's gloves provided the best protection against cuts and punctures. Although they weren't the lowest bidder, their product ranked high in compliance with safety standards.

3. How many delivery locations are there?

Answer: The Hillsborough County Sheriff's Office (HCSO) has one supply distribution warehouse located at 1201 Orient Rd. Tampa, FL. 33619

4. Approximately how often are the gloves ordered: (monthly, quarterly, once a year, or other)

Answer: The Hillsborough County Sheriff's Office (HCSO) places all orders on an as-needed basis. Please review the annual usage quantity, Part D page 21, in the bid document.

5. Based on previous ordering history, how many cases of gloves are generally ordered at one time?

Answer: The Hillsborough County Sheriff's Office (HCSO) places all orders on an as-needed basis. We've ordered as many as 410 cases at one time across all sizes.

6. Are samples to be sent with bid by opening date 6/4? Or are samples going to be sent before the award from the lowest bidder?

Answer: The Hillsborough County Sheriff's Office (HCSO) request that all interested bidders submit samples before or by the revised (see Amendment 1) deadline date of June 18, 2024 @3pm.

7. If there was a previous bid – can I have the bid tab?

Answer: The Hillsborough County Sheriff's Office (HCSO) posted all previous bid tabulation sheets on our website. Gloves were previously on our Janitorial Bid. teamhcsoc.com/Purchasing/Archive/2023 (Bid 2022-015). All orders are placed on an as-needed basis.

8. If there was a contract – was a price increase asked for during renewal?

Answer: The Hillsborough County Sheriff's Office (HCSO) currently does not have a contract for disposable Nitrile gloves.

9. If there is no contract – what glove are you purchasing now? At what price? And from which Vendor?

Answer: The Hillsborough County Sheriff's Office (HCSO) currently uses Zircon Black Nitrile Gloves supplied by LabSource at \$44.93 per case.

10. Do you have a previous bid tabulation for this bid also so that we can determine your ordering pattern.

Answer: See answer# 7.

11. Can you specify the color and length of the gloves required in the bid.

Answer: The Hillsborough County Sheriff's Office (HCSO) did not specify glove color. If the glove meets the specifications outlined in the bid it will be evaluated. The length is Standard Cuff is 9-9.5" (22.9-24.1 cm).

12. What is the current put-up/packaging format of the product (ie. annual piece usage, # gloves per box, boxes per case)

Answer: The Hillsborough County Sheriff's Office (HCSO) annual glove usage can be found in the bid document Part D, paragraph 2. Currently, our gloves come in boxes of 100 per box, 1000 per case for sizes small through extra-large. 2XL gloves come in boxes of 90 per box, 900 per case.

13. What is the current product being used?

Answer: See answer #9.

14. Are these long cuffs or regular cuffed gloves?

Answer: See answer# 11

15. Were the gloves that you were previously buying fentanyl tested, or is that a new Spec for this bid?

Answer: The Hillsborough County Sheriff's Office (HCSO) previous bid gloves were tested with over 30 drugs in accordance with ASTM 6978 and barrier tested against exposure. Although fentanyl was not specified, the gloves met and exceeded ASTM D6319 and F1671: Standard Specification for Nitrile: Examination Gloves for Medical Application and Standard Test Method for Resistance of Materials used in Protective Clothing in Penetration by Blood Borne Pathogens Using Phi-X174 Bacteriophage.
