

**Questions & Answers**  
(DEADLINE 7-11-2024 3PM EST)  
#2

**6. If the window tint for vehicles will be done at your location?**

**Answer:** Yes. **Part B, Specifications**, paragraph 6: Vehicle applications will be performed at the following facility location: General Services and Facilities Operations 2214 N Falkenburg Road Tampa, Florida 33619

**7. Is the place acceptable for window film installation?**

**Answer:** The location for vehicle tint installation is acceptable.

**8. Is the place close, (like a garage) with AC.**

**Answer:** The location for vehicle tinting is at our HCSO Radio Services garage. AC unit is currently being installed.

**9. Is there tempered glass on a wall to lay the film and remove the excess film after pre-cutting it with the computer?**

**Answer:** There is no tempered glass on the walls at our location.

**10. Is there adequate lighting for installation and inspection?**

**Answer:** Yes, there is adequate lighting for installation and inspection.

**11. If there is one driver window on a vehicle or one window on a van, truck, or car. Can the officer assigned to that vehicle, bring it to our location? or Not?**

**Answer:** The majority of the HCSO's vehicles that are being tinted are tinted prior to the issuance to any individual.

**12. Quick question, our company only handles flat glass we do not install film on automobiles, are you only looking for a company that can handle the entire project or would you be splitting it up between flat glass (building) and auto.**

**Answer:** See **PART A General Terms and Conditions**, paragraph 12: HCSO reserves the right to award by line item or by overall total, whichever is deemed in the best interest of HCSO and/or Hillsborough County. Award may be made to more than one (1) Supplier to ensure that work is completed in a timely manner.

**13. What line to put Deinstallation and Installation of the lights when they have to retint a window that might have been replaced?**

**Answer:** This service will be as needed, and quote will be request for service.

**14. Does the garage location where the tinting is being done have AC?**

**Answer:** AC unit is currently being installed.
