However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. PROCUREMENT CATEGORY CODES

The following list is customized to best serve the Hillsborough County Sheriff's Office (HCSO) Purchasing Section in identifying registered vendors by category for the purpose of soliciting quotes or notifying of Bid/RFP opportunities. The list is a tool for purchasing staff only. Selecting a Procurement Category code (PC) on your Vendor Registration does not guarantee you will receive solicitations or notices and in no way obligates the HCSO.

The HCSO advertises Bid opportunities in the legal section of the local newspaper (Tampa Bay Times) and posts all Bid documents to the HCSO public website where they may be viewed and downloaded at no charge. Visit the Purchasing page on the HCSO Website at <https://teamhcs.com>.

Select the PC code below that best fits the service or commodity your company provides. Use the PC code on your Vendor Registration Form. Selecting a broader category may increase the notifications you receive (ex. select 200 instead of 203).

You must provide a company email address and/or fax number on your Vendor Application to receive Bid/RFP Notices. It is not mandatory to select a PC code in order to do business with the HCSO.
