

BID 11-16, Automotive Engine Oil & Transmission Fluid
Requests for Information / Questions & Answers

1. Does the product need to match the current SN GF5 Specifications?

We are requesting American Petroleum Institute (API) approved 5W-30 motor oil; the current API Service Category is SN.

2. Does the 5W30 have to be Dexos approved?

No.

Bidders are encouraged to read the bid document in its entirety.
Submission of a signed Bid Package indicates that all terms and conditions have been read and understood by the Bidder.
