Submittals are to be delivered in a sealed package. The face of the package shall indicate the RFQ name, number, and time and date of the opening. A label is provided within this document.

Submittals must be received by the HCSO Purchasing Section no later than the time and date shown herein. GCs mailing their Submittals should allow for normal mail time to ensure receipt by HCSO prior to the time and date fixed for the acceptance of the Submittals. Submittals or unsolicited amendments to Submittals, received by the HCSO after the acceptance date will not be considered.

GCs shall submit the required Submittal Package and any additional literature or attachments in the form of one (1) original and three (3) copies, each labeled appropriately, and one (1) electronic copy in Microsoft Windows® compatible format such as .pdf, saved on a USB flash drive. Any proprietary information should be marked as such on the original and a redacted copy should be saved to a folder separate from the rest of the Submittal in the electronic copy.

The HCSO reserves the right to postpone the date for receipt and opening of Submittals or other deadlines and will make a reasonable effort to give at least five (5) calendar days' notice of any such postponement to each prospective GC.

Submittals will be reviewed by multiple HCSO personnel. Failure to submit all required items in the manner specified may result in the GC's submittal being disqualified. GC's selections to a pre-qualified list will be substantiated by supportive comments by each Reviewer. Each Reviewer will independently read all eligible Submittals with the exception of any pricing or rate schedules included, if applicable. Any clarifications requested by a Reviewer will be presented to the GC

through the Buyer. When all reviews are complete, the Buyer will create an initial selection matrix indicating the group's collective pre-qualified list of GCs.

8. REVIEW OF SUBMITTALS: Initially, all Submittals will be reviewed to determine if the GC is both responsive in terms of the completeness of the Submittal Package and responsible in that proof of a legal, legitimate business enterprise has been provided along with any other qualifications stipulated. Submittals determined to be deficient in either responsiveness or responsibility may be rejected without further review.

For GCs to be considered responsive, offerors must meet these minimum requirements:

- a. Complete and return Submittal Package in a concise, well-organized platform, including all requested and/or required materials, by the date and time listed herein.
- b. Complete and return Supplier Application Packet, in its entirety, regardless of applicant status.
- c. W-9 verifies with the Internal Revenue Service (IRS).
- d. The GC, contractor, or listed sub-contractor(s) are not Convicted, Excluded or Suspended by the Florida Department of Management Services.

A GC's failure to meet these minimum requirements will cause their Response to be considered non-responsive and rejected.

In the determination of the evidence of responsibility and ability to perform the Services, the HCSO reserves the right to evaluate the financial condition, experience record, personnel, facilities, and organization of the GC. The HCSO shall determine whether the evidence of responsibility and ability to perform is deemed satisfactory. The HCSO reserves the right to reject a Submittal when evidence indicates the inability to perform the Services specified within the RFQ.

9. ORAL PRESENTATION/TELEPHONE DISCUSSIONS: HCSO intends to pre-qualify multiple GCs for this RFQ. Oral Presentations by the GCs will not be required for this RFQ. Telephone Discussions may be held with each of the pre-qualified GCs.
10. SUBCONTRACTING: The Awarded GC(s) may not sublet or subcontract any of the contractual obligations concerning this RFQ matter except as provided for in the written Agreement between the HCSO and Awarded GC(s). This statement prohibits subcontracting overall management obligations pertaining to the Work and requires the Awarded GC(s) to retain ultimate liability for all contractual obligations.
11. CONFLICT OF INTEREST: The GC agrees to disclose any organizational conflict of interest, perceived or real, for evaluation of HCSO's compliance with §112.313, *Fla. Stat.*, regarding standards of conduct for public officers, employees of agencies, and local government attorneys. No HCSO employee acting in an official capacity, as a purchasing agent, or public officer, shall either directly or indirectly purchase, rent, or lease any realty, goods, or services for HCSO from any business entity of which the officer, partner, director, or proprietor, or in which such officer or

employee or the officer's or employee's spouse or child, or any combination thereof, has a material (>5%) interest. An officer or employee is also prohibited from having an employment or contractual relationship that creates a continuing or recurring conflict between their private interest and the performance of their HCSO public duties.

12. AWARD: To be awarded as a GC on HCSO's pre-qualified list, GC must be responsive, responsible and meet or exceed the minimum specifications listed herein. Award may be made to more than one (1) GC to ensure that Work is completed in a timely manner.
 - a. Award will be dependent upon the determination that the Submittal Package(s) are responsive, GCs are responsible, and review of criteria stated in the Submittal Package and any other provided information is deemed relevant and beneficial. Submittal Packages and GCs determined to be deficient in either responsiveness or responsibility may be rejected without further review. Tabulation of the RFQ Responses will be published at the time of Award.
 - i. To be responsive, submittals must be received by the advertised date and time, be in accordance with objective mandatory submission requirements such as the correct number of copies and authorized signatures, proof of insurability, bonding, certification, or other requirements listed in PART B *Special Provisions*.
 - ii. Responsible GCs have appropriate financial, organizational, and operational capacity and controls; appropriate legal authority to do business in Hillsborough County, Florida; a satisfactory record of integrity; and an acceptable performance record on past contracts.
 - b. Notification of Award will be sent to the GC(s) receiving the Award. RFQ results will be published on the HCSO website: <https://TeamHCSO.com/Purchasing>.
13. RFQ OPENING: The RFQ Opening will *not* be open to the public. Submittal Packages will be received until the date and time listed herein and will be read aloud immediately thereafter at the "Place" indicated. Submissions will be reviewed, and acceptable GCs will be marked for Award on a tabulation sheet that will then be posted to the HCSO website, <https://TeamHCSO.com/Purchasing>.
 - a. Submissions must be preceded by a Letter of Intent received by HCSO Purchasing Section no later than the date and time shown within this RFQ.
 - b. Submittal Packages must be received by the HCSO Purchasing Section no later than the date and time shown within this Submittal Package. GCs mailing their Submittal Packages should allow for normal mail time to ensure receipt by HCSO prior to the date and time fixed for the acceptance of the RFQs. Submittal Packages or unsolicited amendments to submissions received by the HCSO after the acceptance date and time will not be considered.
 - c. The HCSO reserves the right to postpone the date for receipt and opening of submissions or other deadlines and will make a reasonable effort to give at least five (5) calendar days' notice of any such postponement to each prospective GC.
 - d. It is understood and agreed upon by the GC in submitting a Submittal Package that the HCSO has the right to withhold all information regarding this procurement until after contract award,

including but not limited to, the number of responses received, competitive technical information, and the HCSO review concerns about competing. Information released after Award is subject to the disclosure requirements of the Chapter 119, Florida Statutes. GCs are enjoined from discussing or disclosing the content of any Submittal Package with competing GCs during the review or negotiation process.

14. ACCEPTANCE AND REJECTION: The HCSO reserves the right to reject any or all Submittal Responses, for cause, to waive irregularities, if any, and to accept the Submittal Response (or Responses) which, in the judgment of the Sheriff, are in the best interest of the HCSO. The HCSO reserves the right to review, add, and/or reject any items from any RFQ options or resulting Contract(s) and/or Agreement(s), when deemed to be in the best interest of the HCSO.
15. AGREEMENT PERIOD: The resulting Awards from this RFQ may be effective for five (5) years from the date of Award. ATTACHMENT A, *Construction Services Qualifications*, is required to be updated and returned to the Buyer herein on an annual basis from the date of Award. HCSO reserves the right to solicit additional Submittals to this RFQ, utilizing a public posting, for consideration of the remainder of the Agreement Period.
16. ADDITION/DELETION: The HCSO reserves the right to add or delete any items from this RFQ or resulting Agreement(s) when deemed to be in the best interest of the HCSO. Any additions or deletions to the RFQ will be considered amendments. Any additions or deletions to the Agreement will constitute a Change Order and must be executed in writing and approved by the Chief Financial Officer (CFO). The Change Order will consist of a memo to the CFO describing the justification for the item addition accompanied by the Awarded GC(s)'s written approval for each item to be added. If approved by the CFO, the item will be added to the Agreement and recorded on the original RFQ tabulation/price sheet.
17. CANCELATION: When deemed to be in the best interest of the HCSO, any Agreement(s) resulting from this RFQ may be canceled by the following means:
 - a. 10 calendar days' written notice with cause, or
 - b. 30 calendar days' written notice without cause.

If it becomes necessary to terminate the Agreement without cause, all items and/or materials provided through the date of receipt of written notice of cancellation may be invoiced to the HCSO and will be considered for payment providing documentation of said expenses is forwarded with the request for payment.

18. ASSIGNMENT: The Awarded GC(s) will not assign, transfer, convey, or otherwise dispose of this Agreement or any part thereof, or of its right title or interest therein, or its power to execute this Agreement or any amendment or modification hereto, to any other person, company, or corporation, without prior written consent of the HCSO. Sale of a majority of corporate stocks or filing for bankruptcy or reorganization shall be considered an assignment.
19. DEFAULT: The Agreement may be canceled or nullified by the HCSO's CFO in whole, or in part, by written notice of default to the Awarded GC(s) upon non-performance or violation of Agreement terms. An Award may be made to the next best responsive Submittal Package and

responsible GC based on review, or articles specified may be purchased on the open market similar to those so terminated. Failure of the Awarded GC(s) to deliver items within the time stipulated in this RFQ, unless extended in writing by the Financial Services Division, shall constitute an Agreement default. Awarded GC(s) who default on Agreements may be removed from the HCSO Supplier List and determined ineligible for future Contracts and/or Agreements, at the discretion of the CFO.

20. EMERGENCY: If and when an emergency requirement should occur, the HCSO reserves the right to deviate from this Agreement and procure the item(s) from the most available source.
21. INVOICING AND PAYMENTS: The GC will invoice the HCSO for Work as completed. At a minimum, an invoice shall include the work site address, description of Work completed or list of goods received, and the Purchase Order number. Applications for payment will be required for partial payments or progress payments, and are acceptable in lieu of an invoice, if numbered. All applications for partial payment shall be accompanied by a schedule of values and indicate the percentage of Work completed as of the application date.

All progress payments will be subject to 10 percent retainer. Approval for payment of the final invoice and release of the retainer shall be subject to the final project inspection and acceptance by the Project Manager. The retained amount should **not** be included on the final invoice but should be requested separately.

It is a requirement of the HCSO to have the Construction Services Manager and Project Manager review and approve all applications for payment and invoices prior to the HCSO remitting payment.

Applications for payment should be accompanied by Waivers of Lien from the GC, all subcontractors and all suppliers of equipment and materials. Payments may not be considered without these documents.

Invoices shall be e-mailed to AccountsPayable@HCSO.tampa.fl.us.

Automated Clearing House (ACH) and HCSO Purchasing Card are the accepted methods of payment. Please inquire at (813) 247-8276 or AccountsPayable@HCSO.tampa.fl.us.

Payment shall be made in accordance with Chapter 218, Part VII, Florida Statutes, which states the GC's rights and the HCSO's responsibilities concerning interest penalties and time limits for payment of invoices. Timely payment of invoices is incumbent upon the HCSO and in no case shall payment exceed 45 calendar days from date of receipt of a properly approved application/invoice.

Payments may be withheld because of any of the following conditions:

- a. Defective Work not corrected.
- b. Failure of the GC to make payments for materials, labor, equipment, or services.

- c. Continued failure to perform the Work in accordance with the terms and conditions set forth in this Agreement.
- d. Legal or other claims by third parties relating to the Work performed under the Contract Documents.

PART C - SCOPE OF SERVICES

1. **IN GENERAL**: This is a RFQ for the provision of Construction Services for various HCSO buildings, sites and detention facilities. Multiple GCs will be selected to provide Construction Services to the HCSO on an as-needed basis for future projects. It is the HCSO's intention to solicit responses from as many GCs as are interested, to review those responses, and to select the qualified GCs. There is no Work guaranteed to any GC as a result of being selected. The HCSO reserves the right to contract for Construction Services to the extent required for future projects.

2. **SCOPE OF SERVICES, SCOPE OF WORK**: The Scope of Services may include, but is not limited to, the provision of various types of Construction Services such as contracting services, construction management, supervision, and any permitting services necessary to complete a proposed project. The selected GCs must be willing to provide reasonable proposals within short time frames and be prepared to commence and complete Work as agreed upon by the individual project schedule. The actual Scope of Services will be negotiated by individual projects or services on a project-by-project basis. Construction Services may pertain to any or all disciplines including, but not limited to, general contracting and construction management. GCs must be prepared to perform Work within HCSO's buildings, sites and detention facilities. Project execution will be directed in the following manner:
 - a. **Pre-Construction Phase**: GC shall review and comment on the Construction Documents and any drawings provided by HCSO; review should include but not be limited to appropriate engineering and constructability. The GC shall provide detailed cost breakdown, permitting, risk management, scheduling, phasing, and logistics.

 - b. **Construction Phase**: Once the GC and HCSO agree upon Construction Documents, and agree in writing upon the guaranteed project costs and contract time for the Work, the GC shall furnish and pay for all management, supervision, financing, permitting, labor, materials, tools, fuel, supplies, utilities, equipment, and services of every kind and type necessary to complete the Work in accordance with all terms and conditions of the Contract Documents.

Work shall conform to all requirements of the HCSO and the applicable codes and ordinances of the authorities having jurisdiction. The scope may expand to include services necessary for the completion of the project.

3. **GENERAL CONTRACTOR QUALIFICATIONS**: The HCSO is seeking Submittals from highly qualified professional GCs with substantial and successful experience in construction management and general contracting. GCs must be able to demonstrate adequate organizational, financial, and personnel resources to ensure timely and satisfactory completion of the Services. The capability and experience of the GCs will be among the most important factors in the review of Submittals.

The selected GCs must be a State of Florida licensed certified general contractor and must be able to provide the appropriate credentials. GCs are expected to demonstrate a proven track record of successfully completed projects.
