Description:						Est. Annual Usage
Trauma Response Bag (00622): The bag shall be constructed of durable nylon or canvas, black in color, and equipped with an adjustable shoulder strap. It must be appropriately sized to accommodate the items specified in this document. The NcSTAR® First Responder Utility Bag, model CVFRB2918B, is currently in use and may be referenced for general style; however, it is not mandatory, and alternative sizes will be considered. The bag must provide ample space for easy access, allowing contents to be quickly located and removed. Descriptive literature, including dimensions, key features, and photographs of the proposed bag, is required.						0
