Following the issuance of RFQ 2025-009 for Architectural & Engineering (A&E) Design Services for the New 911 Communications Center, the evaluation committee has completed its review of all submitted qualifications.

In accordance with the evaluation criteria outlined in the RFQ—specifically including experience with similar projects, qualifications of the firm and key personnel, references, and overall project approach—the following firms have been ranked in order of final evaluation:

1. Architects Design Group (ADG)
2. Harvard Jolly, Inc.
3. Long & Associates Architects Engineers, Inc.
4. H2M Architects & Engineers, Inc.
5. PLUS
6. CPH Engineers
7. The Lunz Group, Inc.

The highest-ranked firm will be invited to enter into negotiations for contract award, pending all required approvals.

We appreciate the time and effort of all firms that submitted qualifications in response to this solicitation.

Sincerely,
