BID NO. 2-20 Vending Machine Services
As of January 15, 2020 3:00 PM**

Question#1: *Can you specify the daily dedicated employee population count for each individual address? Example: X location has 100 employees daily dedicated to the office on a full day. This employee count wouldn't include the employees that are in and out of the office.*

Answer #1: For the security and safety of HCSO employees and visitors, the HCSO cannot specify employee population by location; however, all locations identified in Exhibit A Vending Machine Requirements Listing have 24/7 operations and have supported vending machine(s) of the type(s) identified for over two (2) years.
