Onsite Video Visitation

The video visitation center located at 520 N. Falkenburg Road, Tampa FL, 33619 offers visitation seven (7) days a week, including holidays, from 10:00 A.M. to 9:00 P.M.

The first visit will begin at 10:00 A.M. and the last visit will begin at 8:30 P.M. All scheduled visits must be initiated by the visitor online and will take place in the visitation center.

Each visit is thirty (30) minutes in length and each inmate receives 2 hours of visitation per week (Wednesday – Tuesday), free of charge. After those 2 hours are completed, visits will be charged \$.25/min to be paid by either the inmate or visitor, whether the visits are remote or in the visitation center.

All onsite video visitations are by appointment only and each inmate is permitted to have up to three (3) visitors per visit. One of the three visitors must be an adult.

Visitors who are under the age of eighteen (18), but are legally married to an inmate, may be allowed to visit. A valid marriage certificate must be provided prior to the start of the visitation session to visit.

Visitors must properly identify themselves upon arriving at the visitation center. They must present a valid government issued photo identification indicating their date of birth.

Acceptable forms of identification include:

- Valid driver's license
- Valid passport with photo attached
- Government agency issued photo identification
- Any license or identification issued by governmental agencies with a photograph sealed in plastic.

Identification that appears to be altered, modified, or is expired will not be accepted.

All visits, excluding professional visits, are monitored and are subject to recording.

Onsite Video Visitation (Cont.)

Visitors must be appropriately dressed, to include shirt and shoes. Visitation staff will determine if attire is appropriate. Those not in compliance with the dress code may be asked to leave the center.

A visitor who demonstrates inappropriate or disruptive conduct may have their visitation privileges suspended or may be permanently restricted from any future visitation.

Inappropriate conduct includes these examples:

- Exposure of sexual organs (to include female breasts)
- Obvious physical impairment caused by drugs and/or alcohol
- Video conferencing with a third party on a tablet or cellphone (for example facetime), taking cellphone photographs or videos of inmates during an online visit is strictly forbidden.
- Any other action that could compromise the security or orderly operation of the facility

No weapons, tobacco products, lighters, e-cigarettes, alcoholic beverages, or non-service animals are allowed within the visitation center.

Visitors are expected to be courteous to other visitors. Loud talking, or any other type of disruptive behavior will not be permitted in the visitation center.

Upon the conclusion of the visit, visitors are to leave the visitation center. Loitering in the building/parking lot or on the property will not be permitted.

Failure to follow or comply with any of the above rules may cause suspension or revocation of visitation privileges.

Remote Video Visitation

Visitors may visit remotely from the hours of 9:30 A.M. to 8:45 P.M., daily, with the last visit starting at 8:30 P.M. The cost for on demand visits is \$.25 per minute and can be paid by the inmate or the visitor.

All remote (On Demand) visits must be initiated by the inmate.

Improper conduct that could compromise the security or orderly operation of the facility is not allowed and could result in the visit being terminated. Such conduct includes:

- Exposure of sexual organs (to include female breasts).
- Video conferencing with a third party on a tablet or cellphone (for example facetime), taking cellphone photographs or videos of inmates during an online visit is strictly forbidden.
- Any action deemed indecorous or inappropriate by the visitation center staff.

A visitor who demonstrates inappropriate or disruptive conduct may be restricted, or permanently banned from any future online visitation.

All visits, excluding professional visits, are monitored and are subject to recording.
