**1.1.1 Proposed Schedule.**

The Bid schedule set out herein represents the Hillsborough County Sheriff’s Office’s (HCSO or Buyer) best estimate of the schedule that will be followed. If a component of this schedule, such as the deadline for receipt, is delayed, the rest of the schedule may shift accordingly. All times are Eastern Standard Time.

Issue Date: Advertisement/Website Publication/etc.	December 9, 2024
Deadline for Submitting Questions	December 20, 2024
Deadline for Receipt / Bid Opening	January 2, 2025 (15:15)
Award Notification Target Date	January 12, 2025

**1.1.2 This Bid does not, by itself, obligate the HCSO.**

The HCSO’s obligation will commence when the contract is awarded. Upon written notice to the Bidder, the HCSO may set a different starting date. The HCSO will not be responsible for any Work commenced, even in good faith, if it occurs prior to the contract start date set by the HCSO.

**1.2 Contract Documents.**

During award procedures, the Bid, its attachments, its amendments, and Bid package submitted by the Bidder will become incorporated into an agreement that becomes the “Contract Document.” This agreement will require the signatures of the Bidder and either the signature of the Sheriff, Chief Deputy, or the Chief Financial Officer to become binding. A draft copy of the proposed agreement and its terms and conditions are attached to this ITB for review. The final executed agreement may have differing terms due to corrections and/or negotiations. All Bid Packages become the property of the HCSO and will not be returned to the Bidder. The HCSO reserves the right to clarify any contractual relationship in writing with the Contractor, and such written clarification shall govern in case of conflict with the applicable requirements stated in the Bid or the Contractor’s response. In all other matters not affected by the written clarification, if any, the Bid and all amendments thereto shall govern. The Bidder is cautioned that his Bid shall be subject to acceptance without further clarification.

Bidders selected for award of a contract will be required to execute a written agreement with HCSO (see attached Exhibit A). Only those modifications the Bidder indicates in its response will be available for discussion. Much of the language in the Contract reflects State of Florida and HCSO legal requirements and cannot be altered. Numerous and/or onerous exceptions that contradict Florida law or HCSO Policy may result in the Bid being disqualified from further review and evaluation.

To request a modification to the Contract terms, conditions, or specifications, a Bidder must submit the requested modifications or exceptions to the award contract along with the exceptions to bid, see section 5.3 for more information. Exceptions must:

- A. Clearly identify the affected article and section, and
- B. Clearly note what language is requested to be modified. Unclear requests will be automatically denied.

Only those exceptions that have been accepted by HCSO will be included in the contract document provided to the Awarded Supplier for signature.

If a Bidder receives a contract award resulting from this solicitation it will have up to 30 days to sign and return the contract. After that time, at HCSO's sole discretion, the contract award may be revoked.

### Section 3 General Process Information

#### 3.1 Supplier Diversity.

Sheriff's Office shall comply with, and shall cause each of its third-party contractors, suppliers, and professionals to comply with, all applicable laws, regulations, codes, and rules governing the design, construction, and completion of the components of the Project, including but not limited to, those relating to ADA. To ensure the maximum participation in posted HCSO solicitations, The Purchasing Office submits every bid posting to the Office of Supplier Diversity (OSD). OSD then shares the posted opportunities with OSD certified Suppliers to ensure exposure to businesses and increase the number of eligible Disadvantaged Minority/Disadvantaged Women Business Enterprise (DM/DWBE) and Small Business Enterprise (SBE) Suppliers in the area while also expanding the overall participation rate for DM/DWBE and SBE Suppliers overall providing greater opportunities to disadvantaged businesses.

#### 3.2 Acceptance and Rejection.

The HCSO reserves the right to reject any or all Bids, for cause, to waive irregularities, if any, and to accept the Bid (or Bids) which, in the judgment of the Sheriff, are in the best interest of the HCSO. The HCSO reserves the right to evaluate, add, and/or reject any items from any Bid options or resulting contract(s) when deemed to be in the best interest of the HCSO.

#### 3.3 Next Best Bidder.

In the event of a default by the Awarded Supplier, or cancellation by the HCSO, the HCSO reserves the right to utilize the next best responsive Bid and responsible Bidder. In the event of this occurrence, the new Awarded Supplier shall be required to provide the Bid items at the prices as contained in their Bid Response, for the remainder of the award period.

#### 3.4 Addition/Deletion.

The HCSO reserves the right to add or delete any items from this Bid or resulting Contract(s) when deemed to be in the best interest of the HCSO. Any additions or deletions to the Bid will be considered amendments. Any additions or deletions to the Contract will constitute a Change Order and must be executed in writing and approved by the CFO. The Change Order will consist of a memo to the CFO describing the justification for the item added accompanied by the Awarded Supplier's written, fixed price quote for each item to be added. If approved by the CFO, the item will be added to the Contract and recorded on the original Bid tabulation/price sheet.

#### 3.5 Award.

Award shall be made to the most Responsive and Responsible Bidder meeting specifications, price and other factors considered. HCSO reserves the right to award by line item or by overall total, whichever is deemed in the best interest of HCSO and/or Hillsborough County. Award may be made to more than one (1) Bidder to ensure that work is completed in a timely manner.

If the HCSO awards the entire bid, or line items, to more than one (1) Bidder, then orders will be placed as needed. The determination of which Awarded Supplier the HCSO will place an order with will be decided based upon price, lead times, and other operational needs at the time of the order.

Tabulation of the Bid prices and Bidder rankings, if applicable, will be published at the time of Award. All Bidders responding with a Bid will receive a copy of the Bid tabulation.

Notification of Award will be sent to the Bidder receiving the Award. Bid results will be published on the HCSO website at <https://TeamHCSO.com/Purchasing>

In the Event two (2) or more Bidders have submitted the lowest and best Bids, preference may be given in the Award in the following order. First, to the Bidder who has their principal place of business in Hillsborough County; second, to the Bidder who has a place of business in Hillsborough County; and third,

if the Bidders involved in the "tie bid" situation are all located inside/outside Hillsborough County, the toss of a coin may be used to break the tie.

- 3.5.1 The HCSO may, at its sole discretion and in its best interest, allow the Bidders to complete, supplement, or supply the required documents during the bid evaluation period. Failure to provide all of the above contract requirements may render the Bidders proposal non-responsive.
- 3.5.2 The HCSO will issue no awards, subawards, or contracts with Suppliers that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs and activities.

**3.6 Protests.**

Any prospective Bidder who disputes the reasonableness or appropriateness of the notice of Award, or notice of rejection, for any or all Bids, must submit a notice of protest in writing within 72 hours (excluding HCSO holidays, Saturdays, and Sundays) of the notice of award to the HCSO Purchasing Section by registered mail or hand delivery for which a receipt must be provided.

- 3.6.1 The HCSO will have five (5) business days upon receipt of the notice to review and consider the protest as written. The Buyer will coordinate the review process with the parties involved and may request additional information from the Bidder or request a meeting to gain further clarification of the issue. Upon completion of this review process, the Buyer will make a recommendation to the Chief Financial Officer (CFO).
- 3.6.2 The CFO may concur with the recommendation or arrive at a separate decision. The decision of the CFO will be communicated to the protesting Bidder in writing. This decision, and the basis upon which it was made, will be communicated to the Bidder within five (5) business days following the receipt of the recommendation from the Purchasing Section. Contract extensions that do not alter any terms and conditions outlined in the awarded contract or this ITB may be executed by the procurement office through a renewal process. Renewals involve a bilateral signature process, whereby both parties can extend the contract's duration under the same terms and conditions, or with an added price increase. Any modifications to the terms and conditions stated in the awarded contract or the ITB require written mutual consent between the HCSO and the Awarded Supplier, in the form of an amendment to this awarded contract. In the event the HCSO fails to exercise an option to renew, the Agreement shall continue in full force on a month-to-month basis unless the buyer communicates in writing that the contract will not be renewed.

A price escalation request outside of the renewal process may be accepted. These requests must reference/cite and include any source materials used to form the basis of the proposed justification but must not include historical information prior to the initial contract term. They must also include the same written substantiation documentation as mentioned in the paragraph above. The HCSO will research Bureau of Labor Statistics (BLS) Producer Price Index (PPI) and/or other related indicators or sources and conduct an analysis to determine 1) if the submitted justification and evidence are sufficient, 2) the requested price escalation is fair and reasonable, and 3) if approving the request is in the HCSO's best interest.
